Read the passage and answer the given MCQs (23, 24, 25) below.

Teamwork is the ability to work together towards a common goal, and it is an essential skill in both school and everyday life. In a team, each member has a role to play, and when everyone contributes, the team can achieve much more than any individual could alone. For example, in a sports team, players need to communicate, cooperate, and trust each other to win a game. In the classroom, students often work together on group projects, sharing ideas and dividing tasks to complete their assignments more efficiently. The

strength of teamwork lies in the diversity of its members. Each person brings unique skills and perspectives, which, when combined, lead to creative solutions. However, teamwork also requires patience and compromise, as disagreements may arise. Successful teamwork depends on mutual respect and a shared commitment to the task at hand.

23. What is the main idea of the passage?

- a) Teamwork helps people achieve common goals.**
- b) Teamwork is only important in sports.
- c) Individuals should always work alone.
- d) Teamwork is about following orders.

24. Why is diversity important in a team?

- a) Because it makes people work harder.
- b) Because it leads to creative solutions.**
- c) Because it makes everyone look the same.
- d) Because it reduces the need for teamwork.

25. What is one key requirement for successful teamwork?

- a) Working without any disagreements.
- b) Everyone doing the same task.
- c) Mutual respect and a shared commitment.**
- d) Only one person making decisions.
