Read the story and answer the following Questions

Once upon a time, there was a little kitten named Fluffy. Fluffy loved to explore and play, but she was always getting into trouble. One day, Fluffy wandered too far from home and ended up lost.

Fluffy meowed and meowed, but nobody came to find her. She walked and walked until she came across a group of animals. There was a wise old owl, a busy little squirrel, and a chatty blue jay.

Fluffy asked the animals if they had seen her home. The owl asked Fluffy to describe her home, but Fluffy couldn't remember. The squirrel suggested they all search the forest to find Fluffy's home.

The group set off on their adventure, searching high and low. They climbed trees, crawled through bushes, and waded through streams. As the sun began to set, Fluffy started to feel scared.

Just when they thought they would never find Fluffy's home, they heard a familiar sound. It was Fluffy's mother calling out her name! Fluffy was overjoyed and ran as fast as she could to her mother.

Fluffy's mother was so happy to see her, and the other animals were happy to have helped her. Fluffy learned a valuable lesson that day: to never wander too far from home.

From that day on, Fluffy stayed close to her family and made new friends with the wise old owl, the busy little squirrel, and the chatty blue jay.
